Participants are strongly advised to check on visa requirements with their nearest Tunisian Embassy or Consulate. IRA can provide invitation letters; please request for these as soon as possible if you need them and inform us of the names of the participants.

TRANSFER IN TUNIS

Please note that if you are passing through Tunis-Carthage international airport, you need to collect first your luggage, even if registered directly to Djerba-Zarzis airport, pass the customs and then go to the domestic flights counter.
